RE: New COBRA Options – Available Effective January 1, 2021

Please be advised the letter dated November 13, 2020 listed incorrect amounts for the Member Cost for Medical Only Coverage. The correct rates are listed below in italicized font.

At their recent meeting, the Board of Trustees (Trustees) of the Theatrical Stage Employees Health & Welfare Trust (the “Trust”) reviewed potential ways to continue to support Plan participants and subsidize health coverage. The Trustees made the determination to provide a Medical only COBRA premium subsidy. The subsidy will be based on the core plan medical only rate and be applied at 50% subsidy for member and 25% subsidy for dependent COBRA.

Effective January 1, 2021 through April 30, 2021, the Trust will offer subsidized alternate COBRA options in addition to the current HMO Core and PPO Buy-Up Options. The new COBRA options will be re-evaluated at the renewal of the plan year, May 1, 2021.

Plan Participants who lose coverage will receive a COBRA election notice in the mail from the Administration Office. You will have the opportunity to elect one of the subsidized alternate COBRA options or the current HMO Core and PPO Buy-up Options.

If the federal government enacts a COBRA subsidy as part of its COVID pandemic response, the Trust will be entitled to terminate the Trust COBRA subsidy prior to April 30, 2021 and transfer the premium subsidy to that government program.

The following tables show the current COBRA options as well as the new COBRA options for comparison and consideration.

Other Coverage Options Besides COBRA

Instead of enrolling in COBRA continuation coverage, there may be other, more affordable coverage options for you and your family through Washington Healthplanfinder, Apple Health (Medicaid), Medicare, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage.

Washington Healthplanfinder is an individual marketplace for Washington State residents. Open enrollment starts November 1, 2020 and will end January 15, 2021. You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. Visit www.wahealthplanfinder.org.
